

#DiverseEd Coaching Directory

We believe in the power of coaching to empower individuals and teams on their leadership journeys. Our #DiverseEd trainers and facilitators bring a wealth of leadership experience and coaching expertise to our offer.

Complementing the DEI training sessions and programmes that we design and deliver, we can offer wraparound 1:1 and group coaching for different stakeholder groups to support them in leading the DEI strategy and in contributing to the inclusive culture of your workplace.

We have worked with a number of organisations to coach the existing or aspiring DEI leader, to coach a group of curriculum leaders, to coach the headteachers and system leaders across a MAT.

Coaching creates a safe space for people to unpack what is going on for themselves and others, to process what they are thinking and feeling, and to deepen reflective practice.
